TURNING TABOO TOPICS INTO EVERYDAY CONVERSATIONS

ABOUT OUR SEMINARS

There is much confusion in our sex-saturated society about what a normal healthy relationship looks like. Our seminar addresses issues such as sexual and relationship decision-making, sexting, the impact of pornography, pressures around body image, media and marketing impact and more.

Teens are desperate for real conversation around sex, dating and relationships and our seminars with the use of peer-reviewed research and real-life stories opens up these conversations.

TOPICS WE COVER

- Relationship & Sexual Decision Making (From a Christian Perspective)
- Pornography (The science, the effects, the dangers)
- Sexual pressures both on & offline & a true understanding of consent
- The value & dignity of the human person (we are more than just parts or an image on a screen)
- Making positive choices personally and relationally in a hypersexualized society.
