## WHY WORK WITH US?

- Attractive Award Salary including generous leave entitlements and professional development allowance
- Be part of a highly inclusive and collaborative multi-disciplinary Learner Diversity team - consisting of Speech Pathologists, Psychologists and Special Education teachers with a focus on supporting evidence based scientific research
- Become a valued member of each school's professional support team
- Valuable opportunities for ongoing professional development
- Strong speech pathology mentoring network with highly experienced staff
- Access to the most current technology resources and equipment to enhance professional practice
- Regionally based working in schools in the North East of Victoria
- Full time role with flexibility to negotiate FTE

## THE KEY RESULT AREAS OF THIS ROLE ARE:

- Providing evidence-based Educational Speech Pathology services to schools including assessment, intervention, and consultation within a Multi-tiered system of Support (MTSS) model of delivery
- Collaboratively building the capacity of teachers and school communities to meet the needs of students with communication and learning challenges
- Contributing and actively participating in relevant team-based processes and projects
- Engaging in continuing education and professional development activities relating to Speech Pathology and Education and abiding by Speech Pathology Australia's Code of Ethics (February 1986)
