About Us

- Moama, NSW and the collective communities offer lifestyle choices of sport, leisure, fun and entertainment along with access to many natural beauties that would appeal to anyone.
- St Mary's Primary school is the largest primary school in the Sandhurst Diocese, resourced with passionate staff, impressive facilities and leading learning and teaching.
- St Mary's aims to provide an engaging curriculum based on many evidence-based practices for improved student outcomes.
- St Mary's is currently the only primary Catholic school in the local area and we pride ourselves on our welcoming and inclusive approach to ensure our students, staff and families truly belong to our community.
- St Mary's has a large staff of varied experiences, interests and passions. With a supportive and positive staff culture, new staff members within our community are welcomed with open arms.
