St Malachy's Nagambie

About Us

- St Joseph's Nagambie is more than a school, it is a community and a way of life. The township of Nagambie, approximately 1,500 in population is centrally located in Victoria and a quick 75 minute drive to Melbourne. Nagambie is renowned for its magnificent wine region, lake and water sports and is a key influencer in the horning industry.
- Although St Joseph's school is small in size, the facilities and available resources are outstanding. Our school has a strong connection to our land and looking after our natural materials.
- Our school garden is an important factor of our integrated curriculum, where students, families and the community work together to grow, nurture and share our resources.
- St Joseph's school and staff engages minds, touches hearts and inspires dreams.
- Come Join Us!
