About Us

- St Mary of the Angels Secondary College is located in the heart of the Murray Valley region with close proximity to the mighty Murray River and major regional cities.
- Our students come from a large catchment area consisting of 22 feeder schools across north central Victoria and south central New South Wales via our privately owned bus system.
- We are led by our faith, our Catholic tradition and in the spirit of St Francis of Assisi.
- St Mary of the Angels is proud to provide a range of learning opportunities including a full complement of subjects at Years 7 to 12, including more than 40 VCE subjects; VET and Applied Learning.
- The College boasts modern learning facilities with a focus on working in professional learning teams and contemporary pedagogies to fully engage and support all learners. We also offer unique learning opportunities through our partnership with Nathalia Secondary College and the Nathalia Learning Community, as well as St Augustine's Secondary College in Kyabram.
