About Us

- St Mel's Educational Community is a proud Catholic school, kindergarten and Out of School Hours Care (OSHC) that strives to provide challenging and meaningful learning experiences that enable us all to learn.
- St Mel's is centrally located in the rural city of Greater Shepparton, 1.5kms from the city centre.
- St Mel's creates learning environments that invite learners to inquire, explore and discover and provides individualised learning opportunities within small class sizes.
- St Mel's is a spirit filled community connected to Christ the King Parish where different backgrounds, cultures and abilities are recognised and welcomed.
- We believe we are all learners, and everyone can learn. We welcome new students, parents, staff and families, and bring to life the mission of Jesus so that all of us, old and new, can experience the love of a community.
