### Parish

St Therese's Kennington

## About Us

- Established in 2017, Assisi Kindergarten Strathfieldsaye is located on the grounds of St Francis of the Fields Catholic Primary School on the outskirts of the large regional City of Bendigo.
- Set on spacious grounds, the kindergarten has two indoor learning spaces and large grounds to allow for exploration, play and learning. A focus on the natural environment is obvious in the learning experiences that the children have.
- Offering both kindergarten (4 year old) and pre-kindergarten programs (3 years old), Assisi Kindergarten is an Early Childhood centre where children learn through exploration, discovery and play-based education practices.
