About Us

- Tallangatta is a town in north-east Victoria conveniently located on the banks of Lake Hume only a short drive from Albury-Wodonga. Tallangatta is known as the 'town that moved' to allow for the expansion of Lake Hume. When Lake Hume is at full capacity the Tallangatta Foreshore is the perfect place to go for a swim, put in your boat, fish or allow the kids to play at the new splash park for a photo with the silver pelican.
- Lake Hume is close by and has something for everyone. For the adventurous, there is wakeboarding, water-skiing, tube-riding and stand-up paddle-boarding. Want a gentler pace, the foreshore is the perfect place to enjoy a picnic, fire up a barbecue and experience the mountain views. Fishing enthusiasts can try their luck hooking one of our local freshwater specialities, Rainbow Trout, Murray Cod, Redfin and Golden Perch.
- St Michael's Catholic Primary School Community follows the Josephite tradition of being a learning and supportive environment that challenges the landscapes of hearts and minds. Guided by our school motto, 'Courage, Compassion and Community' our small class sizes allow for individual learning differentiation to cater to all students.
- Tallangatta is the perfect pivot point for accessing the many local Wineries, Eateries, Berry Farms, Ice Creameries & the most stunning waterfalls hidden with just an hours drive of our majestic town. The Tallangatta Lookout is where you'll experience some great views of the township and Lake Hume, or take a trip out to Old Tallangatta and see where the old town used to lay.
- Stretching over 44 kilometres from Wodonga, through Tallangatta and out to Shelley, the High Country Rail Trail weeps along the shoreline of the majestic Lake Hume. Cycle back in time to the 1950s when the town of Tallangatta was relocated. Cross over the beautiful lake to picnic at Ebden, Ludlow's or Huon Reserve, or take a refreshing dip while soaking up the serenity.
