About Us

- Tatura is situated in north east Victoria (approximately 16km south-west of Shepparton) and is a viable, vibrant, healthy, safe, well serviced and resilient community to be enjoyed by all.
- Sacred Heart Primary School is an educating community of living witnesses working in partnership with families, inspiring strength through faith and love.
- Sacred Heart Primary School is currently undergoing construction of a new specialist Performing Arts Centre, additional student toilets and meeting rooms. The new build is an investment in the future of our school and in the education of the children in our care.
- Sacred Heart Primary School is located on the traditional lands of the Yorta Yorta Nation and we are a place of learning and teaching that respects Aboriginal protocols, history and culture.
- Sacred Heart Primary School provides a faith filled, holistic integrated approach to scaffolding healthy, resilient and highly capable young people graduating from our school empowered to successfully navigate a complex world.
