## About Us

- Located in Wangaratta a rural city in the North East of Victoria, close to quaint towns, a variety of wine areas and only a stone's throw away from the snow fields, it is a great place to explore and unwind.
- Borinya is situated on a beautiful site, close to the Mullinmar Billabong and the native environment surrounding the Ovens River.
- Borinya is a unique specialist education setting and is a transitional school which caters for young people aged 12 to 18 years of age, who are disengaged, or at risk of disengaging, from mainstream education.
- Borinya is a diverse and supportive learning community inspired by the Catholic story. At Borinya the ethos is to WALK together with Courage, Resilience, Inclusiveness and Curiosity.
- Borinya works in partnerships with government bodies, community agencies and other schools, to find effective frameworks for engaging students, building social competence of families and assisting individuals to become active members of their community.
