## About Us

- St Augustine's is a school that is steeped in tradition and has a strong Catholic Identity. Established in 1876 our school is a learning community based on St Augustine's call to be truly successful and creative individuals. In 2022, St Augustine's has an enrolment of 330 children and comprises 14 classes.
- Wodonga is a vibrant and growing city ideally located in North East Victoria on the banks of the Murray River. Conveniently located close to historic towns, the snowy mountains, wineries and three hours north of Melbourne. Wodonga is one of the fastest-growing cities in Victoria and is continuing to undergo major city redevelopment.
- Our current Strategic Focus: Data Collection and Analysis: Acadience Oral Reading Fluency Data is collected and collated and staff are trained to analyse and interpret this data. This data is then used to inform learning and teaching. A testing schedule has been developed in line with the School Annual Assessment Schedule. Learning and Teaching: Explicit Direct Instruction
- Develop a consistent understanding of EDI across the school and ensure staff have a clear understanding of differentiation and scaffolding. Staff will be able to articulate the three tiers of Response to Intervention (RTI) and their purpose.
