About Us

- St Monica's is a faith filled, welcoming, vibrant, engaging and diverse community. We take great pride in our people and value gifts and talents of all.
- Our Identity statement 'Jesus is our guide, in him we live, we move, we are called to be' forms the basis of all we do. Our Vision, 'Every Child, every day will be supported and challenged in a faith filled, welcoming and inclusive environment, underpinned by best practice and high expectations' is lived every day. We Learn to Love and we Love to Learn.
- St. Monica's is located in the heart of the largest regional city, situated between Melbourne, Canberra and Sydney on the Victorian and NSW Border.
- We are surrounded by beautiful parks, the mountains, rivers and snow fields. Albury/Wodonga has a strong culture of the Arts, two universities and a strong and thriving economy. We are a diverse and close knit community.
- We celebrate academic achievement and human flourishing through the implementation of our signature pedagogy and positive psychology.
