

SECONDARY CLASSROOM TEACHERS Mathematics and Biology

**Full time Position | Assistance to relocate | Proven ability to teach
your specialist teaching area | Salary range \$75,000 - \$112,000 |
Commitment to Child Safety**

Catholic Education Sandhurst Ltd is seeking applications from suitably qualified classroom Teachers for Mathematics and Biology, for Notre Dame College, Shepparton.

They must have the ability to design and deliver effective and innovative curriculum which meets the individual needs of each student.

About the role

As a dynamic and innovative member of our school community, you will:

- Create a nurturing and ordered learning environment which is learner-centred, safe, supportive, co-operative and aligned with relevant curriculum, policies, and practices.
- Collaborate with your peers to develop and implement quality curriculum programs.
- Assess, provide feedback and report on student learning
- Work with the school leadership team and colleagues to contribute to the professional life of the school.
- Proactively engage with professional learning to enhance student learning outcomes.
- Ensure that the teachings and values of the Catholic Church form a foundation for learning and teaching.

About you

To be successful in this role you will bring relevant qualifications and teaching experience in Maths/Science/Biology as well as:

- Strong literacy and numeracy skills.
- The successful applicants must demonstrate prior experience in teaching Mathematics and Biology.
- Commitment to child safety.
- Exemplary communication and interpersonal skills.
- Proven organisational skills.
- Commitment to engage with colleagues, students, and parents/carers to achieve the best outcomes.
- Successful applicants must demonstrate an understanding of and commitment to the values of Catholic Education.
