At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing and inclusion of all children and young people.

- In leadership encompassing vision, innovation, and empowerment.

Our Values

CES Ltd Values underpin and reflect the behaviours we expect of our staff:

Principles of Catholic Social Teaching

The identity of the Sandhurst Catholic School reflects the principles of Catholic social teaching, grounded in the person of Jesus, and interpreted and enacted for the "common good" in response to the "signs of the times".

These principles require that the dignity and potential of each person be fully respected within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Respect

Respect for the dignity and potential of each person within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Partnerships

The Sandhurst Catholic Schools do not function in isolation. In attending to the religious dimension of education, the most fundamental partnerships are those with parents/guardians and with local Catholic faith communities. The school is part of the wider Church community.

Faith

The tasks of evangelisation, catechesis and religious education are shared by home, school and parish, with each having its own distinct contribution to make in a sense of genuine partnership.

School Summary

St Peter's is a Catholic School located in North Bendigo that was established in 1972. We aim to meet the spiritual, emotional, physical, social and intellectual needs of all within our community. The school has an enrolment of approximately 115 students, with some 35 indigenous students amongst this number.

We have 9 classrooms with a reduced number of students in each room. 1 x Foundation (Prep), 3 x 1/2, 3 x 3/4 and 2 x 5/6. This structure is made possible by our NCCD funding. St Peter's offers specialist music, art and Auslan classes and has 35 staff in total. We have a Dogs Connect dog at our school and a focus on a whole school approach to synthetic phonics.

Our school is endeavouring to ensure that our Religious Education Program nurtures the living faith of our community in partnership with Christian families and that it also assists children in making wise decisions on how they live their lives and interact with other people.

The school will continue to endeavour to promote the uniqueness of each person and celebrate difference and individual achievement.

Our staff are dedicated learners who are always aiming to improve their knowledge and understanding of our students. They are continuously enhancing their capacity to connect with our students, build respectful relationships and combine authentic relationships with trauma informed teaching practices.
