Strategic Directions

- Build the knowledge and understanding of Catholic Identity, Indigenous perspectives and recontextualisation
- Nurture professional growth of all staff
- Continue the team approach to leadership at the school
- Develop agreed practices for all staff in data, document and resource collection, storage, handover and transfer
- Develop a community of staff professional practice through feedback, observation and goal setting
- Utilise evidence-based high impact teaching strategies and data informed practice
- Promote care for self through programs and support that meet the needs of our students to build relationships and increase their self efficacy
- Support the social and emotional wellbeing of all through facilitating effective processes and programs
- Focus on connection and communication with the school community, including between staff and with families.
- Continue to plan for the redevelopment of existing buildings and grounds to create safe spaces for our community
- Utilise Nationally Consistent Collection of Data (NCCD) funding to ensure best use of resources for students
- Continue to focus on environmental sustainability, including through education and use of resources.
