Strategic Directions

- Building the knowledge and understanding of Catholic Identity, Indigenous Perspectives and recontextualisation
- Strengthening a whole school pedagogical approach to best practice in personalised learning
- To strengthen and engage the partnership between the school, parish and families in their faith development
- Continue demonstrating a strength based approach to celebrating our charisms and culture
- Commitment to building a proactive and innovative learning community that maintains high standards and expectations for self, others and our students
- Increase opportunities for staff and students to engage in self-evaluation and processes for improvement and ensure timely recognition and feedback
- Build upon current practices in using and analysing data to improve student outcomes
- Continue to develop and sustain loving relationships and supportive networks both within our school and local community
- Support the social and emotional wellbeing of all through facilitating effective processes and programs
- Through education and ethical use of resources, continue to focus on environmental sustainability
