### Vision

- We believe in a Catholic community that fully develops the whole child and celebrates their faith journey with Jesus.
- We believe that the community, families, teachers and students are partners in the learning process challenging each other to grow and be the best we can be.
- We acknowledge our founders who started our school and chose St Monica's as our patroness enabling us to provide a Catholic education whose faith, compassion and love we seek to reflect.
- We are committed to promoting a curriculum that promotes self-worth and recognises the dignity and uniqueness of each individual.
- We are stewards of our environment who respect, care for and maintain the resources that God has provided us.

### School Identity Statement

St Monica's Kangaroo Flat has been nurturing young minds for over a century, fostering a warm, inclusive environment where every student feels they belong. We are committed to holistic education, offering a comprehensive curriculum that empowers students to become confident, independent, and socially aware learners. Rooted in Catholic values, we inspire curiosity, challenge thinking, and encourage compassion, helping our students grow spiritually and academically in a supportive, faith-filled community.
