School Identity Statement

Offering Wangaratta's widest curriculum Galen can provide each student with their own choice of pathway. Our students receive exceptional student support programs including a dedicated Learning Diversity and Wellbeing team. We are in inclusive community and celebrate all faiths, cultures and backgrounds encouraging each student to explore their own faith journey.

School Vision Statement

Galen Catholic College Wangaratta envisions a learning community where students, guided by Catholic values, develop into compassionate, confident, and curious individuals. We strive to nurture the whole person, fostering academic excellence while cultivating a deep sense of social justice and stewardship. Our goal is to empower students to become active, positive contributors to the world, grounded in faith and driven by an enduring love of learning.
